

Bühne[®] BOARD

COMMERCIAL WALL LINING SYSTEM

REARO[®]

Setting the stage for an elegant look

A sophisticated commercial wall lining system, engineered for performance and design.

Derived from the German word for 'stage', Bühne Board™ is the definitive platform for bringing ambitious designs to life. Each panel is precision-engineered with a 9mm thick MDF core, finished with a durable laminate face.

Key attributes are:

- Luxury Aesthetic
- Hygienic & Easy Clean
- Robust & High-Impact

Available in two versatile sizes for maximum design flexibility: 3030mm x 590mm and 3030mm x 1180mm. Elevate your next project with the performance and elegance of Bühne Board™.

Bühne Board™ is targeted at architects and commercial fit-out teams, and is designed for application across a comprehensive range of commercial sectors. These include retail, school, transport, healthcare, leisure, hospitality, and office environments.

Scandinavian Oak &
Egyptian Cotton

A finish to suit every occasion

Bühne Board™ is a fully integrated system for a seamless, professional installation.

Bühne Board™ is a comprehensive wall lining system, offering a complete, integrated solution far beyond a simple panel. It is designed for easy installation onto battens, streamlining the entire process.

The system is supported by a full suite of accessories to ensure a professional, seamless finish.

This includes 3030mm trims in satin matte silver, polished chrome and white, alongside essential profiles such as end caps, internal corners, external corners, and H sections.

For a truly continuous look, colour-matched, 300ml sealant tubes are also available. Together, these components create a cohesive and high-quality final appearance, making Bühne™ a complete wall lining solution.

Where ideas take centre stage

Transforming demanding environments across every commercial sector.

Bühne Board™ offers versatile solutions for a vast range of sectors and applications, enhancing environments where people live, work, and relax. Its adaptability makes it ideal for diverse settings.

- Healthcare: Ideal for dental surgeries, GP rooms, and corridors, ensuring clean, durable surfaces.
- Hospitality: Perfect for hotel receptions, restaurants, and bars, combining aesthetics with easy maintenance.
- Retail: Suitable for shop fronts, changing rooms, and staff rooms, offering durability and style.
- Education: Designed for high-traffic school corridors and classrooms, prioritising safety and longevity.
- Transport: Withstands heavy use in airport lounges and railway stations.
- Office: Enhances professional spaces like receptions, breakout areas, and corridors.
- Leisure: Perfect for demanding environments like gyms and swimming pool areas.

This wide applicability ensures a reliable and effective solution for nearly any commercial or public interior space.

Feather Grey &
Classic Oak

A curated palette for modern design

A choice of more than 30 elegant décors, from timeless classics to contemporary trends.

Developed in consultation with trend forecasters, the new Bühne Board™ collection offers a comprehensive and on-trend range of surfaces.

To simplify specification, the décors are categorised into distinct groups and include solid colours, wood grains and anti-fingerprint options.

Authentic wood grains introduce warmth and natural texture, making them ideal for luxurious accents. A significant addition is Pure Touch, our popular anti-fingerprint range.

This structured approach ensures a cohesive and easily navigable selection for designers and specifiers seeking both style and functionality.

A perfect match to meet your needs

Our assurance of quality, safety and sustainability means we will exceed your expectations.

Sustainable Sourcing (FSC®) verifies that our materials come from responsibly managed forests, supporting environmental goals.

Quality Manufacturing, evidenced by ISO 9001 and the Made in Britain mark, guarantees consistent, high-standard production and supports local industry.

In a recent healthcare project, the challenge was to create a hygienic, durable wall surface that felt welcoming, not clinical.

Bühne Board™ panels with a Pure Touch finish provide the perfect balance of robustness and aesthetic appeal, successfully impressing both staff and visitors. Our certified products deliver tailored, high-performance solutions.

Bringing your interior designs to life

Bühne Board™ offers a unique combination of style, hygiene and convenience unrivalled by any other commercial product on the market.
