

ELEVATE

CREATE A SLEEK
& **STYLISH** SPACE.

Elevate

Create a Sleek & Stylish Space

Featuring increased height and additional privacy, these modern cubicles offer a superior level of comfort and security. Our durable nickel ironmongery maintains essential safety features like lift-off hinges and emergency release locks, making them ideal for education and hospitality settings. For a sleek, minimalist look, the Elevate range is also available without privacy features, creating a floating illusion when installed on support legs.

MR MFC (Moisture-Resistant Melamine Faced Chipboard)

Manufactured using 19mm MR MFC, cut to size and lipped in 2mm ABS edging.

SGL (Solid Grade laminate)

Manufactured using 12mm SGL, cut to size and profiled to a soft curved finish.

Key Features

- Provides additional privacy over traditional cubicles.
- Doors are fitted with lift-off emergency hinges as well as an emergency release lock.
- The Ironmongery is robust and powder coated 'Nickel', designed to cope with high levels of traffic.
