## Fast, Easy Fit “Off-The-Shelf” Washrooms

RapidFit range offers a quick and efficient solution for commercial washroom projects that require off-the-shelf cubicles and complementary IPS, or vanity units made quickly to order. Ideal for offices and hospitality venues, these cubicles are delivered as a flat pack for easy installation. With individual components available, you can customise the setup to fit your specific needs.

### MR MFC (Moisture-Resistant Melamine Faced Chipboard)

Manufactured using 19mm MR MFC, cut to stock sizes and lipped in 2mm ABS edging.

### SGL (Solid Grade laminate)

Manufactured using 12mm SGL, cut to stock sizes and profiled to a soft curved

## Key Features

- For projects on a tight deadline.
- Simplified colour choice.
- No need to compromise on quality.
- Doors are fitted with lift-off emergency hinges as well as an emergency release lock.
